# Training

## Learn to Fly with Aero-Heli

Aero-Heli provides top quality, personalised and cost-effective training. Whether you are an absolute beginner taking to the skies for the first time or a licence holder seeking to improve your skills, our experienced pilots will plan and deliver a tailor-made training schedule to suit your individual needs.

- Top quality training at a reasonable rate.
- Flexibility around your busy schedule.
- Helicopter training courses to match your experience.
- Full-time Private Licence (Helicopter) training or modular courses available

## Trail Lessons

A trail lesson with Aero-Heli gives you the opportunity to take the controls yourself and experience the exhilaration of helicopter flight. Trial lessons are highly recommended for those considering taking the PPL (H).

- Take a trail lesson alone or with friends.
- Location of your choice - Strangford Lough, Ards Peninsula, Belfast City or The Mourne.
- Ideal Gifts - Christmas, Father's Day, Birthdays, etc.

See *Gift Experiences for prices.*

## Introductory Day

The Introductory Day is the ideal way to experience the excitement of flying a helicopter and highly recommended for those seriously considering obtaining their PPL (H). Spend a full day with your instructor who will familiarise you with the helicopter, the cockpit and its various controls. Experience 3 one hour flights at the controls of a Robinson R22 with full pre and post briefings for each session. Learn the foundation manoeuvres including hovering, level flights, turns, climbs, descents and speed & power changes. Experience a great day out with a purpose, its fun and definitely a must in everyone's lifetime. Your introduction also includes:

- A full tour of our facilities.
- An opportunity to sit in the cockpit of a larger turbine aircraft.
- Meeting the staff and current students at Aero-Heli.

## Private Pilot Licence (Helicopter)

The PPL (H) is the licence required to fly helicopters. It comprises of both active helicopter flying and ground school study. At Aero-Heli it is our aim to ensure that you become a confident, competent, knowledgeable and safe helicopter pilot.

## Flight Training In the Air

To obtain a PPL (H) licence requires a minimum of 45 hours flying time of which:

- 25 hours must be dual instruction by your instructor, and
- 10 hours must be solo.

Of the solo time, 5 hours must be cross-country including a flight of at least 100 nautical miles landing at two aerodromes along the way; usually Aldergrove and Belfast City.

## Training On the Ground

You will cover the following subjects:

- Aviation Law and Operational Procedures,
- Aircraft General Knowledge and Principles of Flight,
- Flight Performance and Planning,
- Navigation,
- Meteorology,
- Human Performance and Limitations,
- Radiotelephony.

## Self Fly Hire

After you have obtained your licence you can truly enjoy the flexibility and freedom of flying a helicopter. In order to maintain your pilot status you will need to complete 2 hours solo flying each year. By using our self fly hire facility you can keep flying the same aircraft you used during your flight training and fly it yourself or with friends. Our self fly hire facility is also available for pilots who obtained their licence elsewhere. Our hire fleet includes:

- Robinson R44s,
- Bell JetRanger,
- EC120,
- Squirrel AS350,
- For hour building the Robinson R22 can be made available.

# Charter Services

## Charter Services

Why not hire one of our helicopters to travel to any event or occasion in the UK or Ireland such as the Galway Races, the Donegal Rally or a wedding at the luxurious Ashford Castle? When chartering with Aero-Heli you will have your own concierge to look after your every need and tailor the package to suit you. We can arrange everything from collection by executive car, to putting you on the guest list of an exclusive club. In select locations we can make a hotel reservation on your behalf at our corporate rate.

Arrive in style with Aero-Heli, just tell us where and when and leave the rest to us.

**Prices from £525.**

## Corporate Travel

Modern business demands and increasingly hectic social calendars have resulted in many of us travelling farther and more frequently. Aero-Heli's point-to-point capability offers a safe, cost effective and highly convenient travel option. Transport key personnel quickly and efficiently, improving productivity and assisting your company in reaching many markets// projects/meetings in one day. If onsite landing is not possible, our experienced operations team will organise a land site which will never be more than a 10 minute drive away. We can also brand our helicopters with your company logo to promote your business and maximise the benefits of helicopter hire.

Corporate clients can book blocks of hours for larger aircrafts, catering for up to 7 passengers.

- Avoid congestion
- Save time
- Save money
- Save resources

## Helicopter Charter is ideal for:

### Pleasure

Enjoy the Spa at Galgorm Manor, lunch in The Ritz Carlton Powerscourt and many more.
